On Friday, November 4, 2005, I completed and filed the FEC Form 10 for the two loans that were made by the candidate, Francisco Canseco, to his campaign on April 30, 2005, and may 5, 2005, respectively, each in the amount of \$500,000. It was not until I received a notice from Michelle Lee Grant of the Federal Elections Commission dated September 22, 2005, that i was made aware that there was a requirement to file such form, and not until I spoke to Ms. Grant on November 2, 2005, that I was able to find the form on the internet with her assistance. Once she explained the gravity of the non-filing, I immediately began gathering the information I would need in order to file such form accurately, and I filed it on November 4, 2005.

It has always been my intent, as well as that of the candidate, to run this campaign clean, and above board, and to file all reports correctly and accurately. Unfortunately, the professional advice that has been received by the candidate regarding filing requirements has been less that adequate. This is the first campaign this candidate has ever participated in at any level.

Sincerely,
Randy S. Blair
Campaign Treasurer
